EDUCATION

- Ibmec — Brazilian Capital Market Institute** Brasília, DF, Brazil
Bachelor of Science in Economics 2022 – 2026 (expected)
Thesis: Impact of Brazil’s “Taxa das Blue Chips” (Lei 14.902/2024) on foreign trade flows and domestic retail prices, applying Difference-in-Differences on CAMEX/MDIC and RFB data in R. Advisor: Prof. Raphael, PhD.

EXPERIENCE

- Brazil’s National Confederation of Commerce (CNC)** Brasília, DF, Brazil
Economic Research Intern Mar. 2025 – Present
 - Public Policy Analysis:** Analyzed public policy documents and regulatory frameworks impacting the commerce, services, and tourism sectors, producing *pareceres técnicos* to support CNC’s advocacy initiatives.
 - Quantitative Modeling:** Authored economic impact assessments using R and IBGE microdata (PNAD Contínua), including modeling the Programa Construcard effect on construction materials demand.
 - Data Governance and Quality:** Structured data collection, processing, and validation pipelines for public databases (CAMEX/MDIC, BCB, IBGE), ensuring consistency and traceability of information across institutional studies.
 - Legislative Analysis:** Drafted technical analyses of proposed legislation (MPVs, PLs), translating complex regulatory and economic data into actionable intelligence for internal and external stakeholders.
 - Data Visualization:** Produced editorial-quality visualizations and sectoral studies on export tax policy, oil and diesel markets, and retail credit dynamics.
- Livres** Brasília, DF, Brazil
Public Policy Intern Oct. 2023 – Nov. 2024
 - Technical Notes:** Analyzed public policy documents and government-related materials, drafting technical notes to evaluate the impact of proposed legislation on market and regulatory environments.
 - Reports:** Prepared structured summaries and comprehensive reports for the policy team, identifying opportunities for regulatory simplification and operational improvements.
- Chamber of Deputies of Brazil** Brasília, DF, Brazil
Legislative Parliamentary Advisor Apr. 2021 – Dec. 2022
 - Legislative Advisory in Education:** Monitored the work of the Education Committee (CE), tracking the legislative agenda, producing technical briefs, and analyzing proposed legislation with direct impact on public sector educational data governance.
 - Regulatory Analysis:** Interpreted complex legislation and regulatory frameworks across the Finance and Taxation and Education committees, evaluating their impact on the public sector environment.
 - Policy Briefs:** Prepared structured summaries advising a Member of Congress on legislative implementation, political feasibility, and potential policy improvements.
 - Cross-functional Collaboration:** Collaborated with parliamentary teams to negotiate, review, and promote public policies, maintaining rigorous accuracy standards in all government documentation.

SKILLS

- Programming:** R, Python, SQL
- Tools:** Base dos Dados, BigQuery, GitHub, Overleaf, Brazilian microdata (IBGE, BCB, MDIC, among others) and international databases (FRED, Our World in Data, World Bank)
- Languages:** Portuguese (native), English (C1)
- Areas:** Public policy analysis, data governance and quality, quantitative modeling, systems interoperability, legislative analysis, stakeholder communication, technical report writing

EXTRACURRICULAR

- The Fund for American Studies (TFAS)** Prague, Czech Republic
TFAS Prague Scholar Jul. – Aug. 2026
 - Selection:** Selected for TFAS Prague 2026; will study political economy, constitutional governance, and Central European economic transitions.
- American Enterprise Institute (AEI)** Washington, D.C., United States
AEI Summer Honors Program Scholar Jul. 2025
 - Seminar:** Completed “Fiscal Foundations: Tax Policy in America” with scholar Alex Brill, analyzing U.S. tax frameworks and their comparative applications to Brazil’s VAT reform.
- The Fund for American Studies (TFAS)** Santiago, Chile
TFAS Santiago Scholar Jan. 2025
 - Selection:** Studied the political-economic landscape of Latin America, models of market economies, and constitutional governance with participants from over 20 countries.
